Policy Statement:
AASL does not maintain a database of speakers nor does it provide speaker recommendations.

Focus:
Primary: General

Purpose:
To define the process by which someone can identify a potential speaker using AASL's resources.

Procedure:
1. Due to the nature of AASL's events and the expense of recording, evaluating, and maintaining speakers' evaluations and information, a database of speakers, presenters, or facilitators will not be maintained.
2.
