

that the American Library Association (ALA) on behalf of its members*

18

*

to be truly sustainable, an organization or community must embody practices that are environmentally sound AND economically feasible AND socially equitable,

28 Adopt Sustainability, as defined above, as a core value of librarianship

38 Support efforts to ensure the topic of sustainability is an inherent element in library school curriculum

4. Provide ALA members with the necessary resources to inspire, cultivate and encourage active leadership in the application of the triple bottom line framework to guide decisions for the future of our society
