I.20 Confidentiality and disclosure

The Office holds narrative reporting and correspondence with programs confidential. Annual statistical reporting data are published on the Office website reports and publications page. If accreditation is denied or withdrawn, the standards at issue as stated in the decision letter of response to the review are made public. If an appeal is filed, the standards at issue are made public.

Document	The COA treats its Decision Document letter as confidential correspondence. No modification to it may be made by anyone except the COA. The COA encourages the school to broadly distribute the accreditation decision and the reasons behind the decision.
Annual Statistical reporting	The Office makes a trended summary of annual statistical reporting publicly available.
