 by the COVID-19 pandemic and facing economic challenges, libraries, libraries are a critical part of the economic safety net, now more than ever.

for local, state and national public officials, and potential partners

- Libraries in New Jersey and nationally support jobseekers, entrepreneurs, and local businesses.
- Libraries are well-placed to offer digital skills training and economic empowerment programs to all Americans, including those with few alternatives or resources.
- Libraries are cost-effective and efficient partners that should be included in the development and implementation of workforce and economic development initiatives.
