

## Digging into Local and Family History with Census Data

November 1, 2021

## AT A American

What is data literacy? Why is it important? What types of data are available from the U.S. Census Bureau? Where can I find the data? How can I learn more about using Census data?

## Using the Census for Family and Local History:

**Sharon Tosi Lacey** 

Chief Historian, U.S. Census Bureau

**Gabby Womack** Reference/Access Librarian, McQuade Library, Merrimack College (MA)

**Allison DePrey Singleton** 

Allen County Public Library (IN)

Genealogy Senior Librarian,

**Elizabeth Hodges** Genealogy Senior Librarian, Allen County Public Library (IN)
