American Library Association Graphic Novels & Comics Roundtable (GNCRT) / <http://www.ala.org/rt/gncrt> / @libcomix

Developed by Robin Brenner

For the next year, I aim to lead the GNCRT in continuing the excellent work of our first five years. We need to ensure we can continue to contribute exceptional resources and events to the library and comics world without overtaxing our membership. To that end, we will work to create a stable foundation for current and future work through internal organization and documentation, including starting the work to thoughtfully establish a comics and graphic novel award. We will keep in mind the balance between what we hope to accomplish and maintain guardrails to keep everyone encouraged, confident, and energized.
