

NMRT Strategic Planning

Adopted by Executive Board on January 9, 2016, Midwinter Meeting, Boston

In 2016 NMRT adopted a new Strategic Plan and a new strategic direction for the next three to five years. Building on the ALA Council-adopted Key Action Areas, one strategic direction has been identified as a priority area of intense focus for the Round Table. This strategic initiative is:

Professional & Leadership Development.

Mission

The mission of the New Members Round Table is to “help those who have been association members less than ten years become actively involved in the association and the profession.”

Core Organizational Values

The Round Table is committed to:

- Library students, new and emerging information professionals in all types of libraries
- An open, inclusive, and collaborative environment
- Ethics, professionalism and integrity
- Excellence and innovation

Key Action Areas

The key action areas are programmatic priorities
