issue no. 24

Mid Winter for Action Council was a time of action and of frustration. The meetings were long and sometimes the tempers were short. Much, maybe too much, of the discussion involved "inhouse" matters. SRRT seems to be going through a reevaluation or rebuilding period. This has probably been brought about because the leadership of SRRT is mostly new to the organization; the background and understanding of how SRRT developed in its early years is not there.

In spite of the many hours spent on internal problems, a lot was accomplished. Unfortunately, we didn't have the assistance of all members of Action Council as some couldn't make it to Washington, D.C. Ollie
