**Resolution Urging Congress to Designate the Government Printing Office as the Lead Agency to Manage the Lifecycle of Digital United States Government Information**

Whereas Federal information produced at taxpayer expense should remain permanently accessible to the public free of charge;

-century, information creation, distribution, retention, and preservation has expanded from a tangible, paper-

organization, to develop and implement a government-wide strategy for managing the lifecycle of digital government information;" now, therefore, be it 9

*Resolved*, that the American Library Association (ALA), on behalf of its members:
