Medical Monitoring

During the course of a medical emergency, professional case managers, including physicians and nurses, will monitor the case to determine whether the care is appropriate or if evacuation/repatriation is needed.

Medical Evacuation/Return Home

In the event of a medical emergency, when a physician designated by GGA determines that it is medically necessary for the employee to be transported under medical supervision to the nearest hospital or treatment facility or be returned to their place of residence for treatment, GGA will arrange and pay for the transport under proper medical supervision.

Traveling Companion Assistance

If a travel companion loses previously made travel arrangements due to the employee's medical emergency, GGA will arrange for the traveling companion's return home.

Dependent Children Assistance

If any dependent children under the age of 18 traveling with the employee are left unattended because the employee is hospitalized, GGA will arrange and pay for their economy class transportation home.
