What happens after you enroll in Blue Cross Group Medicare Advantage?

Medicare must approve your enrollment before you are officially a member. This generally takes about 10 business days.

- Within 10 days of getting your enrollment form, we will send an acknowledgment letter.
- **Confirmation Letter:** After your enrollment is approved, you will receive a confirmation letter. You will also receive a letter to schedule your Annual Wellness Visit, and talk to your doctor about your health.

Once you are a member, your plan becomes your partner in health. We'll send helpful reminders, and health tips and guidance throughout the year. If you have a special medical condition, you may receive even more personalized communication from our medical professionals who can help you manage your health and find resources just for you.
