

about that book that enticed him or her, and is it likely to entice others? This is what Quick Picks attempts to find out.

During my time on Quick Picks, committee members shared Quick Picks books with regular teens, with cheerleaders and athletes who were too busy to read, with incarcerated youth who may have never read for pleasure, those in ESL classes, those with reading difficulties, teen parents, and more. This feedback allowed us to create a list that was diverse in its contents but consistent in the appeal of those contents. When mem
