

YALSA Board of Directors Meeting
ALA Annual Conference, Anaheim
June 26 – July 2, 2008

Topic: Selection of IFLA Nominees

Background: YALSA alternates with ALSC in recommending to the ALA Executive Board names of members to serve on key International Federation of Library Associations (IFLA) sections. In the past YALSA has only been asked to put a name forward for the Section on Children & Young Adults. This year YALSA asked ALA if we could also have representation on the Section on Literacy and Reading, and the request was granted. YALSA personal members who are interested in representing YALSA on either section submitted their resumes to YALSA by May 16, 2008. The Board's job is to select from the applicants below one recommendation for each section and pass the names on to the ALA Executive Board for their approval. One representative for each section will be selected by the ALA Executive Board to serve a four-year term from 2009-2013.
