

**YALSA Board of Directors Meeting
Conference Call
March 5, 2009**

Topic: Sponsoring Emerging Leaders for FY10

Background: The FY10 Budget Priorities approved by the Board at the 2009 Midwinter Meeting were unclear regarding the number of individuals the Board supports sponsoring for the 2010 round of Emerging Leaders. The Board will want to select a specific number as well as identify the source of funding so it can be included in the final version of YALSA's FY10 budget.
